COMMISSIONER FOR PATENTS:Please amend the above-identified patent application as
follows.In the Drawings:

In Fig. 5, change "2.0" to --20--.

REMARKS

Applicants present one sheet of drawings including a proposed correction to Fig. 5 shown in red ink and one sheet of drawings with the correction to Fig. 5 completed. This correction is supported on page 16, line 17 of the original specification and is being made to bring the drawing into agreement with the description. Applicants' agent discovered this error during preparation of formal drawings.

Applicants submit that this amendment neither presents new matter nor raises new issues that would require further consideration or searching.
